

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The following tale is one of those that the victim would just as soon forget but is also one that is just too much to pass up.

It seems that one day last week Weldon Carlton took a nap after dinner and when he woke up he found a note that his daughter, Sally, had left. The note just said "Doug is dead."

Weldon could think of only two Dougs that he knew — Dr. Doug Perrin and Doug Carlton. The first is a good friend and the second is related to him.

Weldon set out to find what had happened and who Doug was. He first drove by the Perrins and could see that nothing was amiss there. His next stop was at the J. C. Turners to see if they had heard anything that would help solve the mystery.

Neither of the Turners knew anything but urged him to try to find out something.

Weldon went on up to the high school and one of the first people he saw there was Mrs. Marvin Carlton, Doug's mother, so he knew it was not him. He went to Sally's class and called her out into the hall and showed her the note and asked who this Doug was.

Sally broke out laughing.

When she recovered enough to talk, she explained to her father that Doug is a character in the TV show, "As The World Turns."

It seems that Sally and her mother, like so many others, are avid fans of this daily soap opera and since Mrs. Carlton missed this episode, Sally left her the note so she would know what had happened.

I don't know who was the most surprised Friday night at the way the Pipers played Haskell — the Haskell team or the Hamlin fans.

Being, I guess, an optimist, I find this hard to understand. Regardless of past records or anything else I always feel that my team can win — why else should they play. Maybe this is why I would starve to death as a gambler but I still believe it.

Because a football can take some crazy bounces, I have never seen the Pipers take the field against a team that I didn't think they had chance of beating.

I don't know how a boy can feel very bad about playing a poor game when most of the fans have let him know all week that he wasn't going to have a chance anyway.

I was very proud of the Pipers Friday night. Not because they pulled off an upset but because they played the way that I thought they were capable of playing. And I will be disappointed this week if they don't beat Anson because, again, I think they are capable of doing it.

Next Tuesday is election day and the people who show enough interest in their system of government to go vote will be faced with a ballot that is larger than this paper.

The only contested race on the General Election part of the ballot is the U. S. Senate race between John Tower and Waggoner Carr.

The part of the ballot that will confuse the most people is the 16 amendments to the State Constitution that must be decided.

Because so many people fail to understand the amendments they just mark them all out. This year this attitude would be bad because at least two of the amendments are important to the future of Texas.

These two are number seven and number eleven. The first one is important not because it repeals the poll tax since the Supreme Court has already done this, but because it sets up an annual registration system. The liberal element in the state would like to see a permanent system where it would be easier to get last minute mass voting. The amendment would provide for registration as we have always known it in Texas with just the elimination of the tax.

The other one would double the Texas Water Development Fund to help supply more water for Texas. This is a loan fund and would not add to the tax load.

The other amendments are basically matters that should be determined by the legislature but can not because of our out dated constitution.

Because all of the amendments are important to some segment of the state and detrimental to none, the Herald would urge the passage of all 16.

HALLOWEEN PRANK — The prankster who painted Larry McCoy's new car was most considerate as he neatly spelled out the Hamlin motto of the week, "Beat Anson." Halloween was relatively quiet here according to City

Police. Most of the mischief was confined to painting cars with shoe polish and throwing water balloons and rotten eggs. Police confiscated the eggs so this phase did not last long.

Pipers, Fresh from Haskell Victory, Journey to Anson

The Pied Pipers will be seeking their second district win Friday night when they journey to Anson to take on the Tigers. The Tigers, preseason favorites for the district crown, will be fighting to hang onto their tie for second place.

The Tigers lost their district opener to Stamford and are now tied with Winters for second place behind Stamford. The Tigers hold wins over Colorado City and Haskell.

The Pipers fought their way out of the district cellar last week when they knocked off Haskell, 13-6.

Coach Joe Younblood ex-

pects his Pipers to be in better physical shape this week with Lewis Shelton expected to be back at full speed, but he will still be without the services of Bobby Moore and Paul Long. Moore suffered a hip-point in the Winters game and Long has back trouble.

The Tigers are expected to be playing without the services of their fullback, Daril Pineda, who was injured in their game with Stamford and has seen very little action since.

Retired Neinda Farmer, Guy Poe, Dies Saturday

Services were held Sunday for Guy Poe, 78, a retired Neinda farmer who died at 1:15 p. m. Saturday in Hamlin Memorial Hospital.

Mr. Poe had lived at Neinda for 43 years. He had been ill for two months and hospitalized for three weeks.

Born Mar. 30, 1888, in Mt. Vernon, Tex., he was the son of the late Mr. and Mrs. D. M. Poe. He attended college at Greenville and was married to the former Mary Gregg at Mt. Vernon in 1909. They lived at Mt. Vernon for 35 years before moving to this area.

Services were conducted at 3:30 p. m. at Neinda Baptist Church by the pastor, Rev. Frank Codington, and Rev. James Wood, pastor of Central Baptist Church of Aspermont. Burial was in Neinda Cemetery.

Surviving is a daughter, Mrs. Noel (Mildred) Weaver; two grandchildren and three great-grandchildren. Two brothers and one sister preceded him in death.

Pallbearers were Henry Jackson, Irby Weaver, O. H. Weaver, Sam Hodges, J. E. McCoy, and Aubrey Hodnett.

Calvary Baptist To Hear Guest Speaker Sunday

Rev. Dale Thornton of Aspermont who spent the last five years with his wife and children as a missionary in Formosa will be the guest speaker at the 7 p. m. Sunday service at Calvary Baptist Church.

The missionary is a graduate of Aspermont High School, Jacksonville Baptist College and Hardin-Simmons University. He pastored churches in this area, including Central Baptist Church in Aspermont, before going to Formosa.

In Formosa he organized a church and nursery school for pre-school children. He will return to the field next summer. Rev. Carrell Watkins is local pastor.

The Tiger offense offers a strong running game mixed with a fine passing attack, built around their highly rated end, Mike Brown.

Probable starters in the line for the Tigers will be Brown, 175 pounds, at left end; Frank Hammack, 158 pounds, at left tackle; Steve Langford, 157 pounds, left guard; Larry Isbell, 206 pounds, at center; Rudy Flores, 157 pounds, at right guard; David Moore, 167 pounds, at right tackle; Eddie Hamil, 151 pounds, at right end.

In the backfield will be Jimmy Faulks, 155 pounds, at quarterback; Alvin Hinkle, 165 pounds, at fullback; Andrew Garcia, 155 pounds, at halfback; and Emilio Seballos, 135 pounds, at wingback.

In action here Thursday night the B Team will host Colorado City in a 7:30 game. The Freshmen are idle. Last week the B Team defeated Haskell 18-12 and the Freshmen were downed by the Albany B Team, 24-6.

In Junior High action, the seventh grade defeated Haskell here Tuesday night, 28-8 to finish up their season. The eighth grade lost to Haskell 16-8 in the game that followed. The eighth grade will travel to Stamford Thursday, Nov. 10, to close out their season.

FFA to Award Top Candy Sellers At Monday Meet

The Hamlin FFA Chapter will hold its regular monthly meeting Monday in the high school auditorium.

At the meeting awards will be made to the top three salesmen of the chapter in the annual Trick or Treat Candy Sale. A drawing will also be held to determine the winner of a rifle. The rifle will go to one of the top salesmen in the Progressive Farmer Magazine Sale.

The main item of business will be the raising of Green Hands to the Degree of Chapter Farmer.

Oak Grove Baptist Plans Revival

A fall revival at Oak Grove Baptist Church will be held Nov. 7-11, according to the pastor, Rev. C. J. Rigmalden.

The evangelist will be Rev. H. F. Doyle, president of the BTU of Missionary Baptist State Congress, and pastor of the Macedonia Baptist Church of Midland.

Services will be held each evening beginning with prayer services at 7 p. m.

Everyone is invited.

Senate Seat, Amendments Face Texas Voters Tuesday

Texas voters who go to the polls Tuesday will be faced with an unusually large ballot as they will decide the fate of 16 state constitutional amendments as well as county, state and federal offices.

State-wide, the vote is expected to be fairly light as there is only one major contested race — the race for the Senate seat now held by John Tower. Tower is being challenged for this post by attorney General Waggoner Carr.

The usual general election polling places will be open Tuesday with the Hamlin East box voting at City Hall and the West box voting at the high school gym. The polls will open at 8 a.m. and close at 7 p.m. Miss Lennie Greenway will be judge of the West box and Tom Routh will be judge of the East box.

The City Hall will be closed for business all day Tuesday, according to Mrs. Clinton Barrow, city secretary.

A brief description of the 16 amendments to be voted on follows.

No. 1 — Provides that all land owned by natural persons and designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

No. 2 — Would authorize creation of airport authorities composed of one or more counties.

No. 3 — Would withdraw Arlington State College from

participating in the Permanent University Fund.

No. 4 — Increases the permissible term of office for directors of conservation and reclamation districts from two to six years and validating present statutory terms of office for such officials.

No. 5 — Would authorize the legislature to provide for a system of retirement, disability and death benefits for county officials and employees and others.

No. 6 — Provides for payment of assistance to survivors of law enforcement officers, custodial personnel of the Texas Department of Corrections and full-paid firemen.

No. 7 — Would repeal the Constitutional provision requiring a poll tax as a prerequisite to voting and re-

quiring the Legislature to provide for annual registration of all voters.

No. 8 — Would authorize the Legislature to enact laws permitting persons to vote for state officers and for president and vice president of the United States without having fulfilled residence requirements to vote for other officers, as well as laws permitting former residents of the state, for a certain period, to vote absentee for president and vice president.

No. 9 — Increases to five the number of judges on the Texas Court of Criminal Appeals and lengthens the term of that court.

No. 10 — Provides that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy after such change without further election.

No. 11 — Would authorize the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon two-thirds vote of the Legislature and expanding the uses to which money in the Texas Water Development Fund may be put.

No. 12 — Provides the method and manner for dissolution of hospital districts.

No. 13 — Would authorize the Legislature to provide for consolidating the functions of government within a county having 1,200,000 or more inhabitants and to provide for intergovernmental contracts between political subdivisions of the county.

No. 14 — Would allow members of the armed forces to vote in Texas upon satisfying the residence requirements applicable to Texans in general.

No. 15 — Authorizes the channeling of funds from private and federal sources through the state for use by privately owned or local agencies in establishing and equipping facilities to assist the handicapped in becoming gainfully employed.

No. 16 — Establishes the date on which newly-elected members of the Legislature qualify and take office.

Rev. Gerald Price To Speak to Sunset, Calvary Baptists

Rev. Gerald Price who collected 10,000 books of stamps to purchase an airplane to fly into the interior of Brazil to do mission work among the un-evangelized Indians tries will be the guest speaker Sunday at Sunset Baptist Church at 10 a. m. and at Calvary Baptist Church at 11 a. m.

He is a missionary for the North American Baptist Association with Mission offices in Little Rock, Ark. He will tell how he collected the stamps and how he plans to fly to the interior of Brazil to preach. He plans to go on the field sometime next spring.

The pastors of the churches are Rev. C. G. Barrow, Sunset, and Rev. Carrell Watkins, Calvary. They welcome all who can attend these special services.

BOARD TO MEET

The Hamlin Board of Education will present bonds for the high school building for sale at the Nov. 7 Board Meeting.

Special Fund for Hillie McCanlies Reaches \$318 Here Monday

A special fund started by friends about two weeks ago for Hillie McCanlies reached \$318.00 Monday. Mr. McCanlies returned from Galveston last Monday after having surgery there the previous week. He is under a doctor's care here and will return to Houston for a check-up in three weeks.

Contributions that had been turned in at Farmers and Merchants Bank through Monday are as follows: Bonnie Bingham, L. C. Stinnett, Hamlin Herald, C. F. Cook, V. V. Anderson, C. R. Crowley, Leldon Clifton, F. R. Nicholson, T. C. Blankinship, Holly P. Toler, Holly Toler,

O. L. Cooper, O. E. and Pauline Brandon, Maggie Mae Seymour, E. F. Fahey, J. S. Inzer, Ben McNeely, W. T. Johnson, C. J. Sewell, John Howard Jr., A. E. Killian, N. B. Collen, Turner-Nail Ins. Agency, Mrs. R. S. Johnson, Dudley Lewis.

Also the Dub Carriers of Trent, W. H. Pickron, Harold Hale, Abilene, Mac Brundage, Raleigh Reynolds, Piggy Wigley, W. S. C. S. Methodist Church of Moran, Mr. and Mrs. Oran Dennis of Albany and anonymous donors.

Gifts are being deposited at the bank, or with Wesley Nail at Turner-Nail Insurance Agency or with Howard Drug Company.

Marie Branch, Ronnie Hill Exchange Vows Here Saturday

Mr. and Mrs. Ronnie Delmer Hill are making their home at 138 S. W. First following their marriage here Saturday evening.

The bride is the former Emma Marie Branch, daughter of Mr. and Mrs. W. E. Branch of Rt. 1, Anson. Parents of the bridegroom are Mr. and Mrs. Delmer Hill.

Double ring vows were said in the chapel of the First Baptist Church at 7 p.m. Rev. Robert Evans, pastor of Northside Baptist Church, Anson, officiated.

Organist was Miss Carol Joe Simpson. Donnelle Hill, sister of the bridegroom, was soloist.

Attending the couple were Mrs. Clifford Eoff, matron of honor, and Jack Haught, best man.

Ushers were Jimmy Haught and Louis Young, McCaulley.

The bride wore a dress of white brocade satin with fitted bodice, scooped neckline, and short bell skirt. The long tapered sleeves terminated with points at the wrist. Her headpiece of white satin gardenias accented with irides-

Rangels to Be Honored Tonight

Mr. and Mrs. Robert Rangell will be honored tonight (Thursday) with a 25th anniversary celebration when all of their children will be present.

The family gathering will be held at the couple's home, 812 S. E. Ave. C. The couple was married Oct. 27, 1941.

First Baptist WMS Holds Mission Study In Chapel

The Woman's Missionary Society of First Baptist Church had their mission study Tuesday in the chapel.

Mrs. Bill Keck led the opening song and played the piano accompaniment. Mrs. Tom Routh gave the opening prayer.

Mrs. Dickie Wallace, program chairman, presented "Baptists of Japan." Others on the program were Mrs. Edgar Duncan and Mrs. Joe Ford.

Mrs. Keck read the prayer calendar and Mrs. Carl Greenway, president, voiced the closing prayer.

Others attending were Mmes. Carl Meyer, O. L. Jenkins, L. E. Hines, LaFoy Patterson, Cecil Sellers, Sam Slaughter, Wardie Ferguson, O. H. Taylor, Johnnie Hines, and Sigmond Stovall.

Niece to Be One Of 15 Authors Honored In Austin

Authors of 15 books will be honored Nov. 19 at the Theta Sigma Phi Writers Roundup at Austin. Names of those picked were made public last week.

Selected as one of three unanimous choices of the judges was "Too Busy Not to Pray" by Imogene Sorley, granddaughter of the late Mr. and Mrs. G. W. Wainscott Sr. of Hamlin, and her co-author, Jo Carr, both of whom are Lubbock housewives.

Only native Texans or residents of the state while a book is written and published are eligible. The selection was made from more than 60 tries nominated by publishers across the nation.

Attending as a guest of Mrs. Sorley will be her aunt, Mrs. Ethel W. Allen, Hamlin.

Liz Carpenter, press secretary to Mrs. Lyndon Johnson, will be mistress of ceremonies for the roundup.

Theta Sigma Phi is the National Professional Fraternity for Women in Journalism and Communications.

Mrs. Jack Vaughan Receives Grand OES Appointment

Mrs. Roy Server and Mrs. Jack Vaughan attended the 84th annual session of the Grand Chapter of Texas, Order of Eastern Star, in Houston Oct. 24-27.

Mrs. Server, conductress of the local chapter, represented Hamlin Chapter NO. 460 in the Glad Tidings session.

On Oct. 27, during the "In Tune with the Minute" installation, Mrs. Vaughan received a grand appointment. She will be serving on the fraternal visitation committee for 1966-67.

She has been active in the local chapter and has served numerous offices. She served as worthy matron for two years and is presently serving as secretary. She is a past mother advisor of the Rainbow Girls.

Mrs. Carpenter Gives HD Program

The Friendship Home Demonstration Club met Friday at the Oil Mill Guest House for a program on "How to Retire and Enjoy It" by Mrs. Carpenter.

Mrs. Raleigh Reynolds served refreshments to Mmes. Elmer Brewer, Floyd Hallmark, R. M. Young, Alton Mayfield, M. S. Johnson, E. G. Young and Carpenter.

Jaycee-ettes to Meet

A called meeting of the Hamlin Jaycee-ettes will be held Tuesday, Nov. 8, at 7:30 p. m. in the home of Mrs. Eddie Offield.

Mrs. Ewell Mackey will be co-hostess. Mrs. Dudley Head will present the program.

Mrs. F. T. Wallace Hosts Ruth Class Meet Wednesday

Mrs. F. T. Wallace was hostess for the Wednesday afternoon business and social meeting of Ruth Sunday School Class, North Central Ave. Baptist Church.

Mrs. E. B. Hopper, president, presided. Mrs. L. H. Clark led the class song.

Mrs. V. Madden said the opening prayer. Mrs. Hopper read the class scripture, I Cor. 3:9. Mrs. Madden and Mrs. Barney Smith, group captains, gave their reports.

Mrs. Ben Wilcox led the Bible quiz.

The devotional, "Highway of Holiness" was given by Mrs. Harold Lee.

Mrs. Clark gave the closing prayer. Refreshments were served to eight members.

The next meeting will be Nov. 30 in the home of Mrs. A. G. Anderson.

Eight Attend State LVNA Convention

Eight members of the Hamlin Licensed Vocational Nurses Association, Div. 73., attended the 17th annual convention LVNA of Texas in Mineral Wells, Oct. 27-30.

Mrs. R. Perryman met with the president's council in the absence of the local president, Mrs. W. W. Wallace. Mrs. Perryman also assisted in counting the ballots at the request of the state president, Marguerite Gale.

Others attending were Mmes. R. W. Higdon, Cecil Brown, L. V. Miller, Fred Teichelman, Clyde Huff, A. J. Hallmark and Clifford Stuart.

Mrs. Joe Simpson Installs Officers

Mrs. Joe Simpson installed the officers of Naomi Sunday School Class of First Baptist Church in the home of Mrs. Buddy Watson.

Members present were Mmes. Louie Cunningham, Jack Wright, A. Branscum, Norman Carlton, Tom Nail, Jack Collins, A. G. Smith, E. A. Hewett, Lula May Crawford, and Edward Gardner.

Win WYLIE SHAMROCK SWEEPSTAKES

IT'S FREE!

5 "Porta-Color" TV sets by General Electric, the pioneer in portable color TV! Beautiful color, yet weighs only 25 pounds!

5 Adventurer portable black-and-white television sets. Has its own ear-piece for private listening. Famous G.E. quality!

60 Nobility radios 6 transistors for powerful reception, fine tuning. Private listening earpiece included!

20 Kodak Instamatic Cameras — Model 104, simple to operate, includes drop-in film loading, flashcube and batteries!

160 Teflon Skillets

HUNDREDS OF PRIZES—EASY TO WIN!—EASY TO ENTER,

easy to win one of HUNDREDS of prizes to be given away during WYLIE SHAMROCK SWEEPSTAKES. Register every time you stop in at the green and white Shamrock sign. You can enter as often as you like. Then save your WYLIE SHAMROCK SWEEPSTAKES tickets for all FIVE BIG DRAWINGS! You can register at any participating Shamrock station in the cities shown. No purchase necessary. Check the winning numbers . . . posted regularly at your nearby WYLIE Shamrock Service Station, and WIN! You may win a G.E. "Porta-Color" television set, a G.E. black-and-white portable television set, complete Kodak Instamatic camera kit, transistor radio, or an American-made Teflon skillet!

TEXAS IS ON THE MOVE!

In virtually every field of endeavor, our state has made dramatic progress the past four years under the strong leadership of Governor John Connally. His administration's bold, yet sensible programs have helped provide new opportunity and a better way of life for all our people.

IMPROVED EDUCATION — Since 1963, state investment in higher education has doubled, and faculty salaries have increased 40%. State support of local public schools have increased 44% in four years, including a \$100 million teacher pay raise enacted in 1965. Technical and vocational training programs have been vastly increased; junior college enrollment doubled during the current bi-ennium. Special literacy programs for migrant workers and their children have been expanded. A college student loan fund of \$85 million has been established. And a special Governor's Committee on Public Education currently is studying all facets of elementary and secondary education.

WATER RESOURCES DEVELOPMENT — Long range planning and development have been given top priority. \$100 million in bonds have been issued for development of needed storage facilities; authorization has been granted to expand this program to \$200 million for the next two years.

CONCERN FOR THE AGED AND NEEDY — Since 1963, assistance to our elderly has been increased 27%. The Governor's Committee on Aging is continually working for the benefit of our senior citizens.

OUTDOOR RECREATION — More than \$2 million has been invested in improving ten of our most attractive state parks during the past two years to provide additional recreational facilities.

INDUSTRIAL EXPANSION — A record 855 new industrial plants have been established the past three years, moving Texas into second place in the nation in industrial expansion.

Last year, more than 23,000 new jobs were created in manufacturing alone — the best year ever for the Texas labor force.

INCREASED TOURISM — More than 12 million tourists visited Texas last year, adding more than \$900 million to the state's economy, and creating 140,000 new jobs. The state's tourist advertising program has been sharply expanded.

MENTAL HEALTH AND MENTAL RETARDATION — New emphasis on prevention of mental illness and mental retardation has been achieved through establishment of new community centers, replacing the former practice of "warehousing" patients. Investment for research into causes of mental disorders has doubled the past four years.

BETTER HIGHWAY TRANSPORTATION — Texas has more farm-to-market roads than any other state — more than 35,134 miles. We lead the nation in construction of interstate highways, at a cost 40% below the nation's average.

COMBAT AIR AND WATER POLLUTION — New legislation for public health, "The Clear Air Act of Texas," provides state action to combat air pollution. Similar vigorous action has been initiated to control pollution of Texas streams, bays and estuaries.

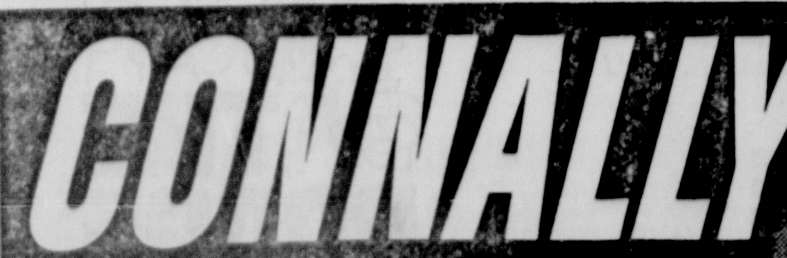

NEW CULTURAL GROWTH — The Fine Arts Commission was established in 1965 to nurture the cultural enrichment of Texans. The state's cultural heritage will be preserved and portrayed in the state's pavilion at HemisFair '68 in San Antonio.

BUSINESSLIKE ADMINISTRATION — With unprecedented teamwork, our state government has operated responsibly and efficiently. The Legislature has finished its work on time in each session. Following a pay-as-you-go policy, we have maintained a healthy surplus in the general revenue fund without curtailing essential services.

HEALTHY, GROWING ECONOMY — Business activity rose 11% last year, as Texas continues one of the brightest growth areas. Employment and income are at an all-time high, unemployment at an all-time low. Despite increased responsibilities, our state government costs only \$168.78 a year per citizen, fourth lowest in the nation. No broad-based tax has been enacted the past four years. Texas still has no personal income or payroll tax, no corporate income tax, and is one of few remaining states with a limited sales tax of 2%.

LET'S KEEP THIS KIND OF PROGRESS AND PROSPERITY FOR TEXAS! HELP GIVE AN OVERWHELMING MANDATE FOR THE VISIONARY LEADERSHIP OF DEMOCRATIC GOVERNOR JOHN CONNALLY AT THE POLLS NOVEMBER 8TH!

RE-ELECT GOVERNOR JOHN

FOR A GREATER TEXAS!

(Political ad paid for by Connally for Governor Committee, Lewis Timberlake, Chairman)

What makes a car a prestige automobile? Luxury. And Imperial '67 is relentlessly luxurious. The Crown Four-Door Hardtop shown below is an invitation to relax. Recline in its sectional seat. A sofa for three which adjusts to side-by-side armchairs or an armchair plus recliner. Enjoy the quiet of a passenger compartment rubber-isolated from road noise and vibration. Or take the wheel yourself. Discover how suprisingly responsive a real road car can be.

Discover Imperial '67 . . . a line of totally new American prestige automobiles.

Just phone us. We'll bring an Imperial to your home. And show you the luxury car that gives others something to live up to.

We'd like to show you what a luxury car was always meant to be.

OLD GLORY...

By Judy White
Old Glory Junior High Students enjoyed a Halloween Party in the school cafeteria last Saturday night. The cafeteria was decorated in the traditional black and gold, cats, pumpkins and witches. Refreshments were served. Jane Jones is the class sponsor. 4-H

A number of 4-H's here have been notified that they have been selected to receive awards at the annual Stone-wall County 4-H awards banquet to be held in Aspermont in the school cafeteria on Monday, Nov. 14.

Members of the Old Glory Community Junior 4-H Club held a bake sale last Saturday morning. The group made approximately \$33.00 for their club funds.

J. L. South attended the Administrators Meeting in Abilene recently. The group discussed the administration of Title I of the Elementary and Secondary Education Act.

Old Glory High School basketball teams each lost one game and won one last week. On Tuesday night the team played at Eula where they both lost. The scores for the boys was 58-53 and for the girls 65-20.

FOR SALE: Nice 2 bedroom home on N. W. Ave. J. Priced to sell and financing can be arranged for right party. See Joe Ford at the bank.

Thursday night the teams were more successful when they played Girard in the local gym. The scores for the boys was Old Glory 61 Girard 52 with Joe Mack Boles leading the way with 25 points, and Larry Flow scoring 20. Bruce Browning scored 22 for Girard. Old Glory girls team won 69-40. Stephanie Letz poured in 32 points for Old Glory with Judy Sander close behind her with 29 points. Beth Williams scored 25 for Girard.

Old Glory girls are proudly displaying new red suits this year.

Variety Club
The Old Glory Variety Club met in the home of Mrs. Garrett Spitzer, Tuesday, Oct. 25. Eight members and one visitor, Mrs. Allen Letz, attended.

Plans were made for the annual Turkey Supper with husbands as honored guests, to be held at Fraziers Cafe in Aspermont on Friday evening, Nov. 4.

Next meeting will be Tuesday, Nov. 8, at the home of Mrs. Bill Wright.

Mr. and Mrs. Herbert Klump and Mrs. Kuno Mischer visited Mrs. Clyde Jones in O'Brien last Sunday.

Mr. and Mrs. Raymond Gerloff of Abilene visited his mother, Mrs. Katie Gerloff last Sunday.

Mrs. H. E. Carr recently spent several days in Hawley visiting in the home of her granddaughter and husband, Mr. and Mrs. Bill Ivey. Mrs. Carr went down to see the nice new home Mr. and Mrs. Ivey have recently built.

Visitors last weekend in the home of Mrs. H. E. Carr were her son and family, Mr. and Mrs. Tip Carr and Ray Carroll of Roswell, New Mexico.

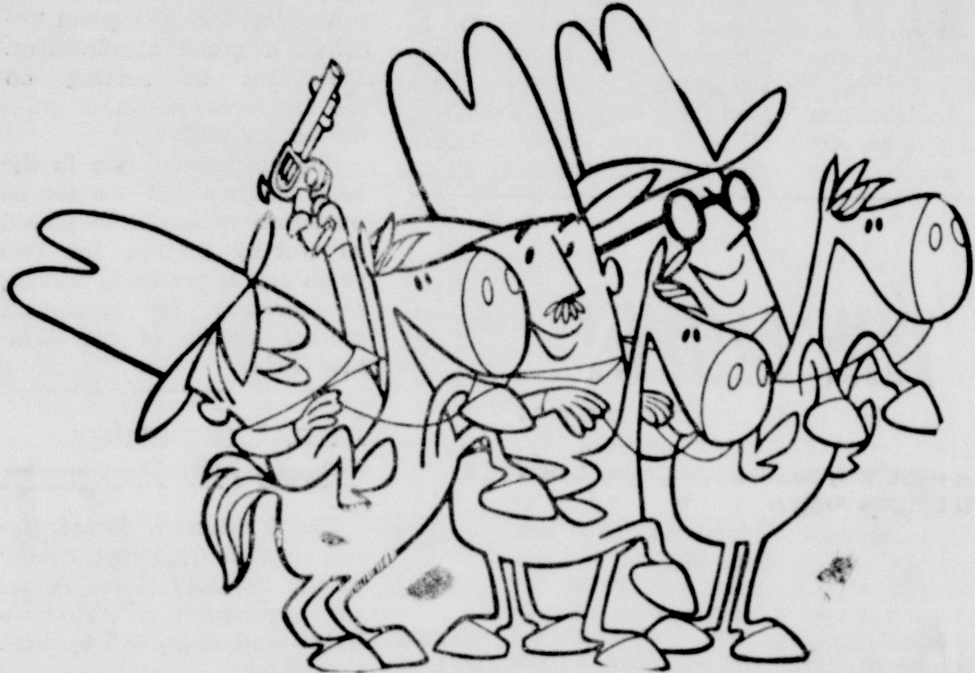

Mrs. Oscar Vanderworth received word last Sunday about the death of an aunt, Mrs. Otto Sonnenberg at San Angelo. Mrs. Sonnenberg was a sister to the late Henry Rinn who operated a general merchandise store in Old Glory for many years.

Mr. and Mrs. Olis Macon of Rule visited in the home of his sister and husband, Mr. and Mrs. Lynn Flowers last Friday night. Other visitors were Mr. and Mrs. Beno Hertenberger and Mrs. Bernice White and Judy.

Mr. and Mrs. Kenny Spitzer of Canyon were here last weekend visiting their parents, Mr. and Mrs. Garrett Spitzer and Mr. and Mrs. J. E. Flow. On Saturday afternoon the Spitzers visited in Abilene with Mr. and Mrs. Dean Letz and boys.

Visiting in the home of Mr. and Mrs. Jess Young were Mrs. C. N. Benham of Fort Worth and her son and family, Mr. and Mrs. Frank Benham and Richard of Tallahassee, Fla.

Pipers Stop Haskell, 13-6

Tailback Philip Simpson went on a rampage here Friday night as he scored two touchdowns, was the game's top rusher, and intercepted an Indian aerial as the Pipers defeated Haskell 13-6.

Simpson, who was obviously recovered from a mid-season knee injury, carried the ball 10 times for 64 yards and the score in the Pipers' first TD drive and brought the fans to their feet in the fourth quarter when he raced 80 yards on a punt return for the second tally.

The Piper defense, playing their best game of the season, repeatedly came up with the big play to halt Haskell drives. The Pipers were particularly effective on pass defense as they held the district's top passing team to six of 21 completions. The Indian quarterbacks were thrown for losses of 8, 3, 14, and 5 as their receivers were well covered and the Piper trenchmen were giving a strong rush.

Simpson fired into the line 29 times for a total of 138 yards while Haskell's top gainer was Johnny Josselo who carried six times for 56 yards. Sammy Ferguson was

second high for the Pipers with 43 yards in 10 carries.

The Pipers kicked off to open the ball game with Haskell returning the kick to the 42 from where a 15 yard penalty aided the Pipers and Haskell punted out to the Piper 23.

Simpson carried for four yards and then broke lose for 21 over left tackle for a first down at the 48. He ripped off another first down at the Haskell 37 with a 15 yard gainer. Ferguson moved to tailback and picked up a first at the 25 on carries of four and eight. He was stopped for no gain and Simpson took over again at tailback and carried for three, four and three yards, down to 15. He gained another first at the four on runs of four and seven yards and then moved down to the two before scoring on a drive over right tackle on second down.

Doug Carlton kicked the point after only to have Hamlin draw a five yard penalty. Carlton tried again and the ball split the uprights again

to put the Pipers in the lead, 7-0.

The ball changed hands four times without either team picking up a first down before Haskell took over on their own 20 and drove out to the Hamlin 35 in six plays. The Pipers defense stiffened and set the Indians back nine yards in three plays to stop the scoring threat as Haskell punted on fourth down from the Hamlin 44.

Two penalties put the Pipers back on their 12, facing third and 12 when Ferguson got off a 42 yard quick kick that was killed on the Haskell 49. Everett passed to Herren, who pitched back to Felker for a gain of 15 to the 36. Everett was thrown for a three yard loss and then connected with Herren again in the end zone for the Haskell score. Everett was stopped short on his try for two points and the Pipers held on to their lead.

Following the kickoff the Pipers moved from their 22 to the Indian 48 from where on fourth down and needing one they tried a fake punt only to have Davis stopped for a ten yard loss.

Taking over on the Hamlin 38, Haskell lost nine yards in four plays and Hamlin had time for one play before the half ended with Clifton picking up two yards.

The Pipers failed to gain a first down following the kickoff and punted with Haskell taking over on their 17. The Indians moved to the Hamlin 12 in 13 plays but had to give up the ball when they could not overcome a five yard penalty.

The Pipers moved the ball to the 31 before punting as the third quarter ended.

Operating from their Hamlin 42, Everett tried a pass only to have Ferguson race in and pick it off and return it 20 yards to the Haskell 30. A 15 yard penalty put the Pipers back to the 45 and they failed to gain their first down, giving up the ball on a short four yard punt.

The Indians were forced to punt again on fourth down from the 44 and Simpson fielded the ball on his 20 yard line. He raced up the right side of the field just past midfield, cut to the left into the clear and sprinted into the end zone. Carlton's kick was blocked and the Pipers owned a 13-6 lead with 7:45 left in the final period.

The Indians returned the kickoff back to their 42 and then lost ground as they lost

PIPER PATTERN—

Has everyone gotten to touch Philip Simpson, our school celebrity? He really played a great game Friday.

five yards trying to pass, and drew a 15 yard penalty, facing fourth and 11, the Indians punted to the Hamlin 43 and a 15 yarder against Haskell moved the ball down to the Indian 42.

The Pipers drove down to the 15 before giving the ball up on the only lost fumble of the night.

The Indians connected on one pass for 18 yards and then had four go incomplete.

Trying to run out the clock, Clifton ran a rollout on three downs and then Ferguson was stopped just short of the first with 15 seconds left on the clock.

On the final play of the game, Simpson intercepted Everett's pass and ran it back 36 yards to the Indian 25 as the game ended.

Freshmen Lead HSH Honor Roll

The Freshman Class led all other classes on the honor roll for the first six weeks period. The Freshmen, with 34% on the honor roll, was followed closely by the Sophomore Class with 33%. The Junior Class was next with 27%. The Senior Class had 26% listed on the honor roll.

Making all A's were Revonna Robertson, June Hill, Helen Moore, Margaret Johnson, Agustin Barron, Reba Jackson, Margaret Cooper, Rhea Vaughan, Gil Lain, Pat Perrin, Mike Young, Cindy Bryant, Mary Wallace, Gary Smith and Charlie Shira.

On the A average list were Pam Holz, Randy Smith, Rudy Mendoza, Vicki Newland, Joy Bond, Geneva Ward, Louise Lujan, Gary Connally, Roberta Douglas, Terese Perrin, Janet Carson, Pauline Lakey, Kathy Moore, James Knabel, Donnelle Hill, Sharon Hawkins, Janice Hardaway, Virginia Hill, Tommy Oliver, Jayne Turner.

Also Linda Cox, Sally Carlton, Patricia Elkins, Beth Craig, Dianna Crowley, Sally Young, John Hix, Joey Duncan, Robert Bailey, Sharon Townley, Patty Cowan, Jerry Elliot, Lavene Hunter, Rena Joe White, Jane Hymer, Sherry Pritchard, Martha Robertson, Jan Young, Thomas Goolsby, C. A. Jenkins, Jeannie Trotter, Marcia Steele, Jerry Covington, Grace Carter, Richard Mendoza, Mark Tansil, Debbie Tucker, Peggy Jones, and Chris Perrin.

Students making the B average honor roll were Danny Contreras, Linda Goodwin, Jean Young, LaWanda Coleman, Gayle Wigington, Nancy Brown, Joyce Putman, Cheryl Walton, Peggy Covington, Sherrill Dockins, Reta Oliver, Sandra Payne, Bill Johnson, Patti Murphree, Jackie Williams, Gary Carson, Steve Gibson, Gloria Rangel, Rickey Waller, Benja Wilcox, Rhonda Butler, Linda Witt, Sherry Brandon, Diane Neal, Brit Thompson, Tommy King, Gary Don Maberry, Davis Weaver, Rochelle Kincaid, Donovan Colley, and Joe Poe.

Schlumberger Transfers Johnnie Jones to N. Mex.

Johnnie M. Jones, who has been a Schlumberger Well Service Senior Sales Engineer assigned to the Southern Rocky Mountain Division in Denver, has been transferred to Farmington, N. M., as Schlumberger Location Manager, according to F. L. Bryan of Houston, vice president of operations.

A native of McCaulley, Texas, Jones was graduated from McCaulley High School and holds a degree from McMurry College. He is the son of Mr. and Mrs. C. D. Jones of Hamlin, Texas.

Jones is a veteran of military service with the U. S. Army Corps of Engineers.

During his service with Schlumberger, Jones has been active with the American Institute of Mining Engineers, Rocky Mountain Association of Geologists and the Denver Well Log Society.

hop and Hollis Stephens. Their presentation will be on correct parliamentary procedure.

Impala Super Sport Coupe—a clean new sweep in roof lines.

Now that you've seen all the daring new things our stylists did, get in and sample some of the safest, soundest ideas on the road!

What you feel is as new as what you see—thanks to all the fresh thinking that's gone into the way it rides, steers, stops and looks after your safety.

It's got a remarkable new road feel—beginning with a ride so hushed and gentle you'll feel like calling this the '67 Shhchevrolet. The steering is as much as 10% easier. And you'll find the stopping smoother, too.

Everything new that could happen...happened! Now at your Chevrolet dealer's.

We put safety features on top of safety features. For example, an energy-absorbing steering wheel atop the new GM-developed energy-absorbing steering column. A dual master cylinder brake system with warning light. And seat belts front and rear with pushbutton buckles. All standard, to be sure.

And there's a new SS 427 performance package—complete with 385-

hp Turbo-Jet V8 and flat-cornering suspension. You can order it for either the Impala Super Sport Coupe or Convertible.

Of course, there are all sorts of new custom features you can add, too, such as tape or FM stereo. But if you find so much that's new a bit too much to remember—drop down to your dealer's and take a drive. It'll all become unforgettable.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin — Gov. John Connally has given three of Texas' leading universities a hurry-up research assignment — a detailed analysis of food costs in the state and of the causes of recent price increases.

Connally set December 1 as target date for reports by the University of Texas, Texas A & M University and Texas Tech College. He gave the assignment to the heads of the three schools and left it up to them how to conduct the study.

"I share the concern of Texans with the dangers of inflation," Connally said in announcing the study. "And I am particularly disturbed about mounting food prices, and their effects on the homemaker of our state."

Connally said, "While rash judgments and emotionally based opinions as to blame are inevitable, they contribute little toward determining cause, or sensible course of action for improvement of the situation."

Detailing his request, the governor asked for a determination of what part of the consumer's food dollar goes to the producer or grower, to the retailer, and how much goes for such things as transportation, advertising, sales incentives, added services and

whatever other costs are involved.

He asked for that determination both on long and short-term bases, expressed both in absolute dollars and in percentages.

He also suggested that the food cost study be related to other consumer costs.

Gas Transmission — Texas' big gas pipeline operators disagree with their smaller colleagues over whether the state should assume regulation of the pipelines so the Federal Power Commission will not.

Major Interstate gas transmission companies contend that they are doing well under the present regulations of the USA Standards Institute under sponsorship of the American Society of Mechanical Engineers. But the companies which transmit gas on a part-time basis want state regulation.

Both sides are to file written statements with the Texas Railroad Commission by November 25. Commission then will consider all arguments and reach a decision.

Courts Speak — State Supreme Court rejected City of San Antonio's appeal for supplemental water supply from Canyon Dam reservoir on the Guadalupe River. Decision backed a 1958 award by the

predecessor to the Texas Water Rights Commission (and affirmed lower court decisions) providing 50,000-acre-feet of water a year to Guadalupe Blanco River Authority for municipal use.

Cities of New Braunfels, Seguin, Gonzales, Culeo and Victoria, along with Calhoun and Refugio Counties, joined GBRA in fighting the San Antonio application during the prolonged, historic water fight.

High court reversed the lower courts and ordered a retrial of the Lubbock land condemnation case where the jury awarded \$48,000 to owners without holding hearing.

Texas Court of Criminal Appeals set November 9 for hearing on whether it should uphold, rather than reverse, the death penalty for Jack Ruby in the slaying of presidential assassin Lee Harvey Oswald. On October 5 the court held that Ruby should get a new trial.

Road Revenue High — Texas Highway Department has been informed that Texas is expected to reap \$456,000,000 in State highway-user tax revenues this year.

This would make Texas third among the 50 states in road revenue. California is expected to take in \$941,000,000 in 1966. New York's income will hit \$497,000,000.

Road-user taxes include state fuel and vehicle registration taxes, but not toll fees or parking-meter money.

Air Pollution Control — Texas' new Air Control Board came up with a tentative plan for regulating air pollution starting in 1967.

Plan includes air quality surveys and continuing studies particularly in urban areas,

Neinda Philosopher --

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 may get himself into hot water, the latter part of his letter this week indicates. That's his worry.

Dear editor:

I went for three days last week without finding a newspaper around this Johnson grass farm and finally gave up and went into town and brought a copy, and now discover I may be further behind the times than I realized.

According to one item on an inside page a college professor discussing the great strides he claims man has made in the past few years said "if you haven't been back to school in the last 10 years you're already behind the times."

I don't know what school he was talking about, but I

assistance in developing local programs, procedure for investigating complaints and plans for public education on pollution hazards.

Board is thinking about a graduated set of standards for industrial emissions from cotton gins, petrochemical plants, dry cleaning establishments and any other that could possibly add pollutants to the air.

Although the plan is directed toward pollution from smoke and particulate matter, board members indicated it would be made to apply to other air pollution sources after six to eight months compliance notice.

have a notion you can pick out any college you want to and find therein professors who've been to school all their lives and are still behind the times.

Actually, of course, I don't know what being behind the times means.

While it's true there are dozens of countries on this earth I don't know anything about, never even heard of, you've got to remember on the other hand they've never heard of me either. It all comes down to who's times you're behind, or whose clock you're watching.

I have a notion that if a man sets out to keep abreast of the times all over the world, he'll wind up knowing something about nearly everything but not very much about anything. On the other hand, you can know not very much about anything and nothing about the rest of the world. I've tried it, and it works.

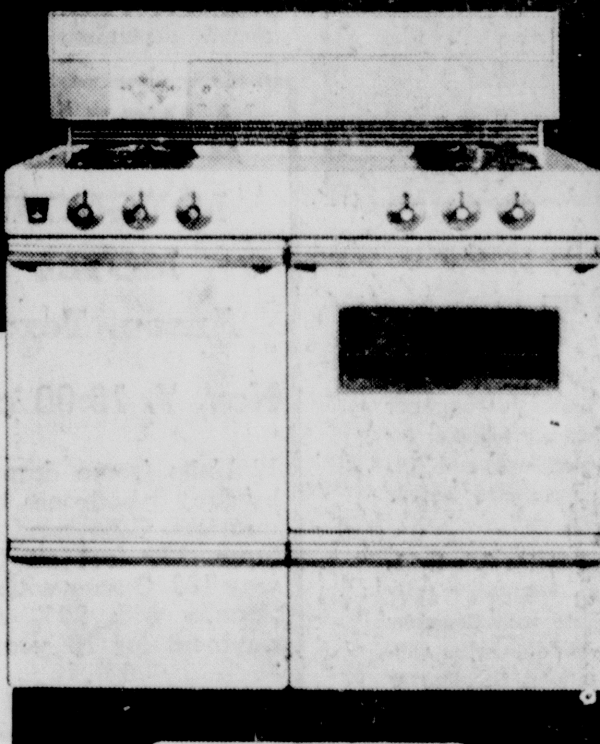

To change the subject, I've been reading about those women in cities picketing the grocery stores over high prices. Since they're carrying their signs anyway, how much you reckon they'd rent the back of their placards to carry a message from us farmers objecting to the low prices we get? Why couldn't one picket sign do two jobs at the same time?

However, if any of those women boil over and want to see me about this, tell them you don't know how to get in touch with me.

Yours faithfully,
J. A.

Nearly Half the Terraces Being Built In Texas Are New Parallel Type, According to H. N. Smith

"Texans built enough of the new, evenly spaced parallel terraces last year to reach from Texas to Maine — more than 2,200 miles," according to H. N. Smith, state Conservationist, Soil Conservation

Service, Temple. "In fact, nearly half the terraces built in Texas were the new kind." Cooperators with local conservation districts built more than 5,000 miles of all kinds of cropland terraces last year.

A team for a better Texas for you!

Governor John Connally and Attorney General Waggoner Carr have worked together for 4 years to give Texas and YOU a better state and better opportunities.

As a United States Senator in Washington, Waggoner Carr will co-operate with Governor Connally to work for better education, more jobs, benefits for our elderly, and better prices for our farmers, ranchers and dairymen. He will do what is right for Texas!

Vote Democratic, Tuesday, Nov. 8, 1966

Elect Democrat

WAGGONER CARR

United States Senator

*Texas Citizens for Carr Committee: Thomas W. Butler, State Chairman

slope. Three, four, six or eight row equipment could be used in either of the above cases.

Designing, laying out and building this kind of terrace system, however, is not an easy job. Price said it takes design and stake a parallel system. They may cost more to build. Shorter terraces with more grassed waterways may be needed. More cuts and fills are used.

"Our engineers are willing to take the extra time to figure out parallel terraces," Price said. "Some short cuts have been developed and we are getting more efficient in working out these modern conservation systems."

Gary A. Batte, Work Unit Conservationist at the Stamford SCS office, said land owners and operators in this area like the parallel terraces. "They are easy to plow and they save time and fuel," he said. "They also eliminate or greatly reduce short rows or uneven length point rows."

Some landowners say they would not have built terraces if the SCS had not worked out these which are much easier to farm," Batte said. Others are tearing down the old hard-to-farm conventional terraces and are replacing them with parallel ones.

Farmers in the Hamlin area who have recently completed parallel terracing jobs are Elvin Smith at Tuxedo, and Virgil Steele.

Batte said that jobs to be started or are presently under way are on the Mrs. John C. Bryant farm near Hamlin, and the F. L. Adamson farm south of Hamlin. Other jobs are under way in the Stamford area.

Batte said that 321,875 feet of parallel terraces were built during the year ending June 30, in the Stamford work unit area. In the California Creek District, 708,855 feet were constructed this year, compared to 66,448 feet the year before.

Cost-share assistance for constructing parallel terraces is still available, and ranges up to 70% of the cost. Further information may be obtained from the Stamford Soil Conservation Service Office.

Hamlin, Texas, Thursday, November 3, 1966

THE HAMLIN HERALD

SYLVESTER NEWS...

By Mrs. R. M. Bab

Here it is the last day of October and I think every one knows what to expect as this is Halloween and there just might be a few goblins out.

As for as I know, at the moment, there isn't any one in the hospitals. Mrs. Emma Henry is home from Rotan. Mrs. Robert Reed and Mr. Brown are home from Hamlin. I take it all back. Mrs. Neda Kiser entered Hendrick's for surgery again. Surely hope everything goes well.

The Blackie Ford House is well under construction on the north side of the railroad, between Glaslock and Leggett

Club Reporting Forms Available

Is reporting the activities of your club your job? The Hamlin Herald is furnishing information blanks to be filled in to make this job easier.

If you are a club reporter, please stop by the Herald office to get a supply of these forms.

Duck Hunter's Delight — Duck hunters can take a tip from scuba drivers and wear neophene boots and britches under their regular hunting clothes to keep warm and dry.

Camping Boots — Don't try to walk mountain trails in the same sort of boots you use when rabbit hunting. Best authorities recommend rugged footwear equipped with vibram lub soles. Ordinary boots are much too soft for such hard wear.

Underhand Casting — Underhand casting is of little use to the average angler. It is more of an exhibition stunt. Better concentrate on the usual styles.

Lyne T. Barret drilled first Texas oil well near Nacogdoches in 1866.

Streets. Bet you didn't know they were named. All four streets are named.

Then up on the hill just east of town is the new home of the Thurman Douglasses being built. We are proud of all the new homes being built, only wish there were more.

Mr. and Mrs. Roy Herron attended the funeral of a cousin in Temple this past week. Just talked to the gin office and at this Monday morning they have ginned thirty bales of cotton but I just bet that this time next week it will be another story.

The Wesley Maberrys were visiting their parents here over the weekend, the Richard Kelleys and the J. P. Maberrys in Hamlin. Yes, J. P. and Polly have moved over to Hamlin. Sally, Wesley, and girls are living in Irving now.

Mrs. Elsa Moffett and four daughters of Plainview, Walter Douglas and family of Big Spring, Thurman Douglas and family of Roby spent the weekend in the home of Mrs. M. D. Douglas.

Mr. Woodson of Rotan spent last week with his daughter, Mrs. W. B. Brown.

HEIDENHEIMER'S

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The following tale is one of those that the victim would just as soon forget but is also one that is just too much to pass up.

It seems that one day last week Weldon Carlton took a nap after dinner and when he woke up he found a note that his daughter, Sally, had left. The note just said "Doug is dead."

Weldon could think of only two Dougs that he knew — Dr. Doug Perrin and Doug Carlton. The first is a good friend and the second is related to him.

Weldon set out to find what had happened and who Doug was. He first drove by the Perrins and could see that nothing was amiss there. His next stop was at the J. C. Turners to see if they had heard anything that would help solve the mystery.

Neither of the Turners knew anything but urged him to try to find out something.

Weldon went on up to the high school and one of the first people he saw there was Mrs. Marvin Carlton, Doug's mother, so he knew it was not him. He went to Sally's class and called her out into the hall and showed her the note and asked who this Doug was.

Sally broke out laughing.

When she recovered enough to talk, she explained to her father that Doug is a character in the TV show, "As The World Turns."

It seems that Sally and her mother, like so many others, are avid fans of this daily soap opera and since Mrs. Carlton missed this episode, Sally left her the note so she would know what had happened.

I don't know who was the most surprised Friday night at the way the Pipers played Haskell — the Haskell team or the Hamlin fans.

Being, I guess, an optimist, I find this hard to understand. Regardless of past records or anything else I always feel that my team can win — why else should they play. Maybe this is why I would starve to death as a gambler but I still believe it.

Because a football can take some crazy bounces, I have never seen the Pipers take the field against a team that I didn't think they had chance of beating.

I don't know how a boy can feel very bad about playing a poor game when most of the fans have let him know all week that he wasn't going to have a chance anyway.

I was very proud of the Pipers Friday night. Not because they pulled off an upset but because they played the way that I thought they were capable of playing. And I will be disappointed this week if they don't beat Anson because, again, I think they are capable of doing it.

Next Tuesday is election day and the people who show enough interest in their system of government to go vote will be faced with a ballot that is larger than this paper.

The only contested race on the General Election part of the ballot is the U. S. Senate race between John Tower and Waggoner Carr.

The part of the ballot that will confuse the most people is the 16 amendments to the State Constitution that must be decided.

Because so many people fail to understand the amendments they just mark them all out. This year this attitude would be bad because at least two of the amendments are important to the future of Texas.

These two are number seven and number eleven. The first one is important not because it repeals the poll tax since the Supreme Court has already done this, but because it sets up an annual registration system. The liberal element in the state would like to see a permanent system where it would be easier to get last minute mass voting. The amendment would provide for registration as we have always known it in Texas with just the elimination of the tax.

The other one would double the Texas Water Development Fund to help supply more water for Texas. This is a loan fund and would not add to the tax load.

The other amendments are basically matters that should be determined by the legislature but can not because of our out dated constitution.

Because all of the amendments are important to some segment of the state and detrimental to none, the Herald would urge the passage of all 16.

HALLOWEEN PRANK — The prankster who painted Larry McCoy's new car was most considerate as he neatly spelled out the Hamlin motto of the week, "Beat Anson." Halloween was relatively quiet here according to City

Police. Most of the mischief was confined to painting cars with shoe polish and throwing water balloons and rotten eggs. Police confiscated the eggs so this phase did not last long.

Pipers, Fresh from Haskell Victory, Journey to Anson

The Pied Pipers will be seeking their second district win Friday night when they journey to Anson to take on the Tigers. The Tigers, preseason favorites for the district crown, will be fighting to hang onto their tie for second place.

The Tigers lost their district opener to Stamford and are now tied with Winters for second place behind Stamford. The Tigers hold wins over Colorado City and Haskell.

The Pipers fought their way out of the district cellar last week when they knocked off Haskell, 13-6.

Coach Joe Younblood ex-

pects his Pipers to be in better physical shape this week with Lewis Shelton expected to be back at full speed, but he will still be without the services of Bobby Moore and Paul Long. Moore suffered a hip-point in the Winters game and Long has back trouble.

The Tigers are expected to be playing without the services of their fullback, Daril Pineda, who was injured in their game with Stamford and has seen very little action since.

Retired Neinda Farmer, Guy Poe, Dies Saturday

Services were held Sunday for Guy Poe, 78, a retired Neinda farmer who died at 1:15 p. m. Saturday in Hamlin Memorial Hospital.

Mr. Poe had lived at Neinda for 43 years. He had been ill for two months and hospitalized for three weeks.

Born Mar. 30, 1888, in Mt. Vernon, Tex., he was the son of the late Mr. and Mrs. D. M. Poe. He attended college at Greenville and was married to the former Mary Gregg at Mt. Vernon in 1909. They lived at Mt. Vernon for 35 years before moving to this area.

Services were conducted at 3:30 p. m. at Neinda Baptist Church by the pastor, Rev. Frank Codington, and Rev. James Wood, pastor of Central Baptist Church of Aspermont. Burial was in Neinda Cemetery.

Surviving is a daughter, Mrs. Noel (Mildred) Weaver; two grandchildren and three great-grandchildren. Two brothers and one sister preceded him in death.

Pallbearers were Henry Jackson, Irby Weaver, O. H. Weaver, Sam Hodges, J. E. McCoy, and Aubrey Hodnett.

Calvary Baptist To Hear Guest Speaker Sunday

Rev. Dale Thornton of Aspermont who spent the last five years with his wife and children as a missionary in Formosa will be the guest speaker at the 7 p. m. Sunday service at Calvary Baptist Church.

The missionary is a graduate of Aspermont High School, Jacksonville Baptist College and Hardin-Simmons University. He pastored churches in this area, including Central Baptist Church in Aspermont, before going to Formosa.

In Formosa he organized a church and nursery school for pre-school children. He will return to the field next summer. Rev. Carrell Watkins is local pastor.

The Tiger offense offers a strong running game mixed with a fine passing attack, built around their highly rated end, Mike Brown.

Probable starters in the line for the Tigers will be Brown, 175 pounds, at left end; Frank Hammack, 158 pounds, at left tackle; Steve Langford, 157 pounds, left guard; Larry Isbell, 206 pounds, at center; Rudy Flores, 157 pounds, at right guard; David Moore, 167 pounds, at right tackle; Eddie Hamil, 151 pounds, at right end.

In the backfield will be Jimmy Faulks, 155 pounds, at quarterback; Alvin Hinkle, 165 pounds, at fullback; Andrew Garcia, 155 pounds, at halfback; and Emilio Seballos, 135 pounds, at wingback.

In action here Thursday night the B Team will host Colorado City in a 7:30 game. The Freshmen are idle. Last week the B Team defeated Haskell 18-12 and the Freshmen were downed by the Albany B Team, 24-6.

In Junior High action, the seventh grade defeated Haskell here Tuesday night, 28-8 to finish up their season. The eighth grade lost to Haskell 16-8 in the game that followed. The eighth grade will travel to Stamford Thursday, Nov. 10, to close out their season.

FFA to Award Top Candy Sellers At Monday Meet

The Hamlin FFA Chapter will hold its regular monthly meeting Monday in the high school auditorium.

At the meeting awards will be made to the top three salesmen of the chapter in the annual Trick or Treat Candy Sale. A drawing will also be held to determine the winner of a rifle. The rifle will go to one of the top salesmen in the Progressive Farmer Magazine Sale.

The main item of business will be the raising of Green Hands to the Degree of Chapter Farmer.

Oak Grove Baptist Plans Revival

A fall revival at Oak Grove Baptist Church will be held Nov. 7-11, according to the pastor, Rev. C. J. Rigmaiden.

The evangelist will be Rev. H. F. Doyle, president of the BTU of Missionary Baptist State Congress, and pastor of the Macedonia Baptist Church of Midland.

Services will be held each evening beginning with prayer services at 7 p. m.

Everyone is invited.

Senate Seat, Amendments Face Texas Voters Tuesday

Texas voters who go to the polls Tuesday will be faced with an unusually large ballot as they will decide the fate of 16 state constitutional amendments as well as county, state and federal offices.

State-wide, the vote is expected to be fairly light as there is only one major contested race — the race for the Senate seat now held by John Tower. Tower is being challenged for this post by attorney General Waggoner Carr.

The usual general election polling places will be open Tuesday with the Hamlin East box voting at City Hall and the West box voting at the high school gym. The polls will open at 8 a.m. and close at 7 p.m. Miss Lennie Greenway will be judge of the West box and Tom Routh will be judge of the East box.

The City Hall will be closed for business all day Tuesday, according to Mrs. Clinton Barrow, city secretary.

A brief description of the 16 amendments to be voted on follows.

No. 1 — Provides that all land owned by natural persons and designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

No. 2 — Would authorize creation of airport authorities composed of one or more counties.

No. 3 — Would withdraw Arlington State College from

participating in the Permanent University Fund.

No. 4 — Increases the permissible term of office for directors of conservation and reclamation districts from two to six years and validating present statutory terms of office for such officials.

No. 5 — Would authorize the legislature to provide for a system of retirement, disability and death benefits for county officials and employees and others.

No. 6 — Provides for payment of assistance to survivors of law enforcement officers, custodial personnel of the Texas Department of Corrections and full-paid firemen.

No. 7 — Would repeal the Constitutional provision requiring a poll tax as a prerequisite to voting and re-

quiring the Legislature to provide for annual registration of all voters.

No. 8 — Would authorize the Legislature to enact laws permitting persons to vote for state officers and for president and vice president of the United States without having fulfilled residence requirements to vote for other officers, as well as laws permitting former residents of the state, for a certain period, to vote absentee for president and vice president.

No. 9 — Increases to five the number of judges on the Texas Court of Criminal Appeals and lengthens the term of that court.

No. 10 — Provides that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy after such change without further election.

No. 11 — Would authorize the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon two-thirds vote of the Legislature and expanding the uses to which money in the Texas Water Development Fund may be put.

No. 12 — Provides the method and manner for dissolution of hospital districts.

No. 13 — Would authorize the Legislature to provide for consolidating the functions of government within a county having 1,200,000 or more inhabitants and to provide for intergovernmental contracts between political subdivisions of the county.

No. 14 — Would allow members of the armed forces to vote in Texas upon satisfying the residence requirements applicable to Texans in general.

No. 15 — Authorizes the channeling of funds from private and federal sources through the state for use by privately owned or local agencies in establishing and equipping facilities to assist the handicapped in becoming gainfully employed.

No. 16 — Establishes the date on which newly-elected members of the Legislature qualify and take office.

Rev. Gerald Price To Speak to Sunset, Calvary Baptists

Rev. Gerald Price who collected 10,000 books of stamps to purchase an airplane to fly into the interior of Brazil to do mission work among the un-evangelized Indians tries will be the guest speaker Sunday at Sunset Baptist Church at 10 a. m. and at Calvary Baptist Church at 11 a. m.

He is a missionary for the North American Baptist Association with Mission offices in Little Rock, Ark. He will tell how he collected the stamps and how he plans to fly to the interior of Brazil to preach. He plans to go on the field sometime next spring.

The pastors of the churches are Rev. C. G. Barrow, Sunset, and Rev. Carrell Watkins, Calvary. They welcome all who can attend these special services.

BOARD TO MEET

The Hamlin Board of Education will present bonds for the high school building for sale at the Nov. 7 Board Meeting.

Special Fund for Hillie McCanlies Reaches \$318 Here Monday

A special fund started by friends about two weeks ago for Hillie McCanlies reached \$318.00 Monday. Mr. McCanlies returned from Galveston last Monday after having surgery there the previous week. He is under a doctor's care here and will return to Houston for a check-up in three weeks.

Contributions that had been turned in at Farmers and Merchants Bank through Monday are as follows: Bonnie Bingham, L. C. Stinnett, Hamlin Herald, C. F. Cook, V. V. Anderson, C. R. Crowley, Leldon Clifton, F. R. Nicholson, T. C. Blankship, Holly P. Toler, Holly Toler,

O. L. Cooper, O. E. and Pauline Brandon, Maggie Mae Seymour, E. F. Fairry, J. S. Inzer, Ben McNeely, W. T. Johnson, C. J. Sewell, John Howard Jr., A. E. Killian, N. B. Cullen, Turner-Nail Ins. Agency, Mrs. R. S. Johnson, Dudley Lewis.

Also the Dub Carriers of Trent, W. H. Pickron, Harold Hale, Abilene, Mac Brundage, Raleigh Reynolds, Piggy Wiggly, W. S. C. S., Methodist Church of Moran, Mr. and Mrs. Oran Dennis of Albany and anonymous donors. Gifts are being deposited at the bank, or with Wesley Nail at Turner-Nail Insurance Agency or with Howard Drug Company.

THE HAMLIN HERALD

Published Every Thursday at The Herald Building, Hamlin, Jones County, Texas, by the Pied Piper Publishing Company. Entered at Post Office at Hamlin, Texas, for transmission through the mails as Second Class matter according to an Act of Congress on March 3, 1879.

TEXAS IS ON THE MOVE!

In virtually every field of endeavor, our state has made dramatic progress the past four years under the strong leadership of Governor John Connally. His administration's bold, yet sensible programs have helped provide new opportunity and a better way of life for all our people.

IMPROVED EDUCATION — Since 1963, state investment in higher education has doubled, and faculty salaries have increased 40%. State support of local public schools have increased 44% in four years, including a \$100 million teacher pay raise enacted in 1965. Technical and vocational training programs have been vastly increased; junior college enrollment doubled during the current biennium. Special literacy programs for migrant workers and their children have been expanded. A college student loan fund of \$85 million has been established. And a special Governor's Committee on Public Education currently is studying all facets of elementary and secondary education.

WATER RESOURCES DEVELOPMENT — Long range planning and development have been given top priority. \$100 million in bonds have been issued for development of needed storage facilities; authorization has been granted to expand this program to \$200 million for the next two years.

CONCERN FOR THE AGED AND NEEDY — Since 1963, assistance to our elderly has been increased 27%. The Governor's Committee on Aging is continually working for the benefit of our senior citizens.

OUTDOOR RECREATION — More than \$2 million has been invested in improving ten of our most attractive state parks during the past two years to provide additional recreational facilities.

INDUSTRIAL EXPANSION — A record 855 new industrial plants have been established the past three years, moving Texas into second place in the nation in industrial expansion.

Last year, more than 23,000 new jobs were created in manufacturing alone — the best year ever for the Texas labor force.

INCREASED TOURISM — More than 12 million tourists visited Texas last year, adding more than \$900 million to the state's economy, and creating 140,000 new jobs. The state's tourist advertising program has been sharply expanded.

MENTAL HEALTH AND MENTAL RETARDATION — New emphasis on prevention of mental illness and mental retardation has been achieved through establishment of new community centers, replacing the former practice of "warehousing" patients. Investment for research into causes of mental disorders has doubled the past four years.

BETTER HIGHWAY TRANSPORTATION — Texas has more farm-to-market roads than any other state — more than 35,134 miles. We lead the nation in construction of interstate highways, at a cost 40% below the nation's average.

COMBAT AIR AND WATER POLLUTION — New legislation for public health, "The Clear Air Act of Texas," provides state action to combat air pollution. Similar vigorous action has been initiated to control pollution of Texas streams, bays and estuaries.

NEW CULTURAL GROWTH — The Fine Arts Commission was established in 1965 to nurture the cultural enrichment of Texans. The state's cultural heritage will be preserved and portrayed in the state's pavilion at HemisFair '68 in San Antonio.

BUSINESSLIKE ADMINISTRATION — With unprecedented teamwork, our state government has operated responsibly and efficiently. The Legislature has finished its work on time in each session. Following a pay-as-you-go policy, we have maintained a healthy surplus in the general revenue fund without curtailing essential services.

HEALTHY, GROWING ECONOMY — Business activity rose 11% last year, as Texas continues one of the brightest growth areas. Employment and income are at an all-time high, unemployment at an all-time low. Despite increased responsibilities, our state government costs only \$168.78 a year per citizen, fourth lowest in the nation. No broad-based tax has been enacted the past four years. Texas still has no personal income or payroll tax, no corporate income tax, and is one of few remaining states with a limited sales tax of 2%.

LET'S KEEP THIS KIND OF PROGRESS AND PROSPERITY FOR TEXAS! HELP GIVE AN OVERWHELMING MANDATE FOR THE VISIONARY LEADERSHIP OF DEMOCRATIC GOVERNOR JOHN CONNALLY AT THE POLLS NOVEMBER 8TH!

RE-ELECT GOVERNOR JOHN

CONNALLY

FOR A GREATER TEXAS!

(Political ad paid for by Connally for Governor Committee, Lewis Timberlake, Chairman)

Niece to Be One Of 15 Authors Honored In Austin

Authors of 15 books will be honored Nov. 19 at the Theta Sigma Phi Writers Roundup at Austin. Names of those picked were made public last week.

Selected as one of three unanimous choices of the judges was "Too Busy Not to Pray" by Imogene Sorley, granddaughter of the late Mr. and Mrs. G. W. Wainscott Sr. of Hamlin, and her co-author, Jo Carr, both of whom are Lubbock housewives.

Only native Texans or residents of the state while a book is written and published are eligible. The selection was made from more than 400 tries nominated by publishers across the nation.

Attending as a guest of Mrs. Sorley will be her aunt, Mrs. Ethel W. Allen, Hamlin.

Liz Carpenter, press secretary to Mrs. Lyndon Johnson, will be mistress of ceremonies for the roundup.

Theta Sigma Phi is the National Professional Fraternity for Women in Journalism and Communications.

Mrs. Jack Vaughan Receives Grand OES Appointment

Mrs. Roy Server and Mrs. Jack Vaughan attended the 84th annual session of the Grand Chapter of Texas, Order of Eastern Star, in Houston Oct. 24-27.

Mrs. Server, conductress of the local chapter, represented Hamlin Chapter NO. 460 in the Glad Tidings session.

On Oct. 27, during the "In Tune with the Infinite" installation, Mrs. Vaughan received a grand appointment. She will be serving on the fraternal visitation committee for 1966-67.

She has been active in the local chapter and has served numerous offices. She served as worthy matron for two years and is presently serving as secretary. She is a past mother advisor of the Rainbow Girls.

Mrs. Carpenter Gives HD Program

The Friendship Home Demonstration Club met Friday at the Oil Mill Guest House for a program on "How to Retire and Enjoy It" by Mrs. Carpenter.

Mrs. Raleigh Reynolds served refreshments to Mmes. Elmer Brewer, Floyd Hallmark, R. M. Young, Alton Mayfield, M. S. Johnson, E. G. Young and Carpenter.

Jaycee-ettes to Meet

A called meeting of the Hamlin Jaycee-ettes will be held Tuesday, Nov. 8, at 7:30 p. m. in the home of Mrs. Eddie Offield.

Mrs. Ewell Mackey will be co-hostess. Mrs. Dudley Head will present the program.

Mrs. F. T. Wallace Hosts Ruth Class Meet Wednesday

Mrs. F. T. Wallace was hostess for the Wednesday afternoon business and social meeting of Ruth Sunday School Class, North Central Ave. Baptist Church.

Mrs. E. B. Hopper, president, presided. Mrs. L. H. Clark led the class song.

Mrs. V. Madden said the opening prayer. Mrs. Hopper read the class scripture, I Cor. 3:9. Mrs. Madden and Mrs. Barney Smith, group captains, gave their reports.

Mrs. Ben Wilcox led the Bible quiz.

The devotional, "Highway of Holiness" was given by Mrs. Harold Lee.

Mrs. Clark gave the closing prayer. Refreshments were served to eight members.

The next meeting will be Nov. 30 in the home of Mrs. A. G. Anderson.

Eight Attend State LVNA Convention

Eight members of the Hamlin Licensed Vocational Nurses Association, Div. 73, attended the 17th annual convention LVNA of Texas in Mineral Wells, Oct. 27-30.

Mrs. R. Perryman met with the president's council in the absence of the local president, Mrs. W. Wallace. Mrs. Perryman also assisted in counting the ballots at the request of the state president, Marguerite Galey.

Others attending were Mmes. R. W. Higdon, Cecil Brown, L. V. Miller, Fred Teichelman, Clyde Huff, A. J. Hallmark and Clifford Stuart.

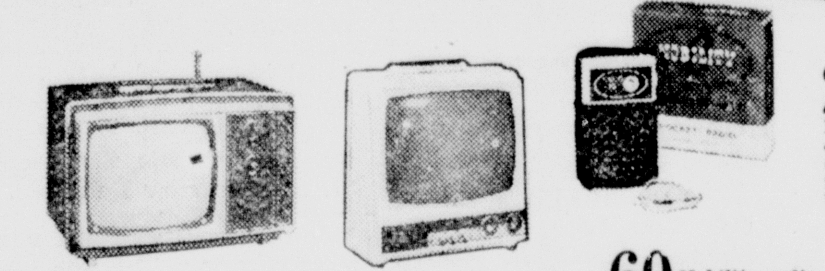

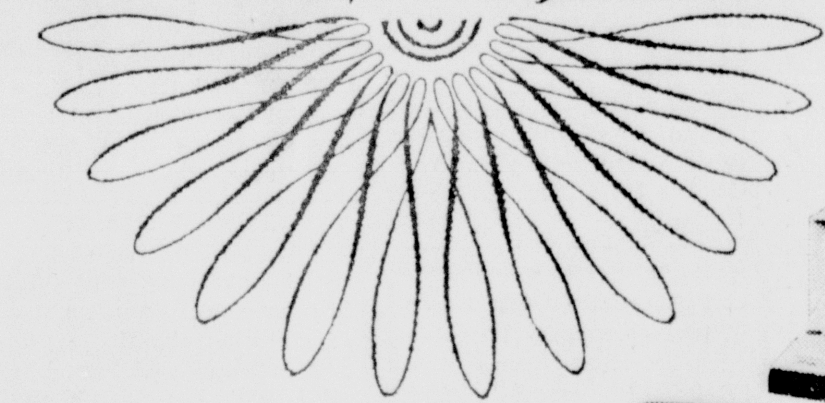

Mrs. Joe Simpson Installs Officers

Mrs. Joe Simpson installed the officers of Naomi Sunday School Class of First Baptist Church in the home of Mrs. Buddy Watson.

Members present were Mmes. Louie Cunningham, Jack Wright, A. Branscum, Norman Carlton, Tom Nail, Jack Collins, A. G. Smith, E. A. Hewett, Lula May Crawford, and Edward Gardner.

OLD GLORY...

By Judy White
Old Glory Junior High Students enjoyed a Halloween Party in the school cafeteria last Saturday night. The cafeteria was decorated in the traditional black and gold, cats, pumpkins and witches. Refreshments were served. Jane Jones is the class sponsor.

4-H
A number of 4-H's here have been notified that they have been selected to receive awards at the annual Stone-wall County 4-H awards banquet to be held in Aspermont in the school cafeteria on Monday, Nov. 14.

Members of the Old Glory Community Junior 4-H Club held a bake sale last Saturday morning. The group made approximately \$33.00 for their club funds.

J. L. South attended the Administrators Meeting in Abilene recently. The group discussed the administration of Title I of the Elementary and Secondary Education Act.

Old Glory High School basketball teams each lost one game and won one last week. On Tuesday night the team played at Eula where they both lost. The scores for the boys was 58-53 and for the girls 65-20.

FOR SALE: Nice 2 bedroom home on N. W. Ave. J. Priced to sell and financing can be arranged for right party. See Joe Ford at the bank.

Thursday night the teams were more successful when they played Girard in the local gym. The scores for the boys was Old Glory 61 Girard 52 with Joe Mack Boles leading the way with 25 points, and Larry Flow scoring 20. Bruce Browning scored 22 for Girard. Old Glory girls team won 69-40. Stephanie Letz poured in 32 points for Old Glory with Judy Sander close behind her with 29 points. Beth Williams scored 25 for Girard.

Old Glory girls are proudly displaying new red suits this year.

Variety Club
The Old Glory Variety Club met in the home of Mrs. Garrett Spitzer, Tuesday, Oct. 25. Eight members and one visitor, Mrs. Allen Letz, attended.

Plans were made for the annual Turkey Supper with husbands as honored guests, to be held at Fraziers Cafe in Aspermont on Friday evening, Nov. 4.

Next meeting will be Tuesday, Nov. 8, at the home of Mrs. Bill Wright.

Mr. and Mrs. Herbert Klump and Mrs. Kuno Mischer visited Mrs. Clyde Jones in O'Brien last Sunday.

Mrs. H. E. Carr recently spent several days in Hawley visiting in the home of her granddaughter and husband, Mr. and Mrs. Bill Ivey. Mrs. Carr went down to see the new home Mr. and Mrs. Ivey have recently built.

Visitors last weekend in the home of Mrs. H. E. Carr were her son and family, Mr. and Mrs. Tip Carr and Ray Carol of Roswell, New Mexico.

Mrs. Oscar Vanderworth received word last Sunday about the death of an aunt, Mrs. Otto Sonnenberg at San Angelo. Mrs. Sonnenberg was a sister to the late Henry Rinn who operated a general merchandise store in Old Glory for many years.

Mr. and Mrs. Ollis Macon of Rule visited in the home of his sister and husband, Mr. and Mrs. Lynn Flowers last Friday night. Other visitors were Mr. and Mrs. Beno Hertenberger and Mrs. Bernice White and Judy.

Mr. and Mrs. Kenny Spitzer of Canyon were here last weekend visiting their parents, Mr. and Mrs. Garrett Spitzer and Mr. and Mrs. J. E. Flow. On Saturday afternoon the Spitzers visited in Abilene with Mr. and Mrs. Dean Letz and boys.

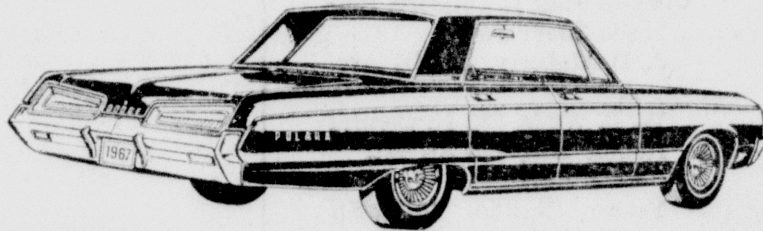

Visiting in the home of Mr. and Mrs. Jess Young were Mrs. C. N. Benham of Fort Worth and her son and family, Mr. and Mrs. Frank Benham and Richard of Tallahassee, Fla.

Pipers Stop Haskell, 13-6

Tailback Philip Simpson went on a rampage here Friday night as he scored two touchdowns, was the game's top rusher, and intercepted an Indian aerial as the Pipers defeated Haskell 13-6.

Simpson, who was obviously recovered from a mid-season knee injury, carried the ball 10 times for 64 yards and the score in the Pipers' first TD drive and brought the fans to their feet in the fourth quarter when he raced 80 yards on a punt return for the second tally.

The Piper defense, playing their best game of the season, repeatedly came up with the big play to halt Haskell drives. The Pipers were particularly effective on pass defense as they held the district's top passing team to six of 21 completions. The Indian quarterbacks were thrown for losses of 8, 3, 14, and 5 as their receivers were well covered and the Piper trenchmen were giving a strong rush.

Simpson fired into the line 29 times for a total of 138 yards while Haskell's top gainer was Johnny Josselot who carried six times for 56 yards. Sammy Ferguson was

Haskell	0	6	0	0	6

second high for the Pipers with 43 yards in 10 carries.

The Pipers kicked off to open the ball game with Haskell returning the kick to the 42 from where a 15 yard penalty aided the Pipers and Haskell punted out to the Piper 23.

Simpson carried for four yards and then broke lose for 21 over left tackle for a first down at the 48. He ripped off another first down at the Haskell 37 with a 15 yard gainer. Ferguson moved to tailback and picked up a first at the 25 on carries of four and eight. He was stopped for no gain and Simpson took over again at tailback and carried for three, four and three yards, down to 15. He gained another first at the four on runs of four and seven yards and then moved down to the two before scoring on a drive over right tackle on second down.

Doug Carlton kicked the point after only to have Hamlin draw a five yard penalty. Carlton tried again and the ball split the uprights again

to put the Pipers in the lead, 7-0.

The ball changed hands four times without either team picking up a first down before Haskell took over on their own 20 and drove out to the Hamlin 35 in six plays. The Pipers defense stiffened and set the Indians back nine yards in three plays to stop the scoring threat as Haskell punted on fourth down from the Hamlin 44.

Two penalties put the Pipers back on their 12, facing third and 12 when Ferguson got off a 42 yard quick kick that was killed on the Haskell 49. Everett passed to Herren, who pitched back to Felker for a gain of 15 to the 36. Everett was thrown for a three yard loss and then connected with Herren again in the end zone for the Haskell score. Everett was stopped short on his try for two points and the Pipers held on to their lead.

Following the kickoff the Pipers moved from their 22 to the Indian 48 from where on fourth down and needing one they tried a fake punt only to have Davis stopped for a ten yard loss.

Taking over on the Hamlin 38, Haskell lost nine yards in four plays and Hamlin had time for one play before the half ended with Clifton picking up two yards.

The Pipers failed to gain a first down following the kickoff and punted with Haskell taking over on their 17. The Indians moved to the Hamlin 12 in 13 plays but had to give up the ball when they could not overcome a five yard penalty.

The Pipers moved the ball to the 31 before punting as the third quarter ended.

Operating from their Hamlin 42, Everett tried a pass only to have Ferguson race in and pick it off and return it 20 yards to the Haskell 30. A 15 yard penalty put the Pipers back to the 45 and they failed to gain their first down, giving up the ball on a short four yard punt.

The Indians were forced to punt again on fourth down from the 44 and Simpson fielded the ball on his 20 yard line. He raced up the right side of the field just past midfield, cut to the left into the clear and sprinted into the end zone. Carlton's kick was blocked and the Pipers owned a 13-6 lead with 7:45 left in the final period.

The Indians returned the kickoff back to their 42 and then lost ground as they lost

PIPER PATTERN—

Student Council to Seek Vice Presidency at District Meeting

By Beth Craig
Helen Moore
Tommy Oliver

Has everyone gotten to touch Philip Simpson, our school celebrity? He really played a great game Friday.

five yards trying to pass, and drew a 15 yard penalty, facing fourth and 11, the Indians punted to the Hamlin 43 and a 15 yarder against Haskell moved the ball down to the Indian 42.

The Pipers drove down to the 15 before giving the ball up on the only lost fumble of the night.

The Indians connected on one pass for 18 yards and then had four go incomplete.

Trying to run out the clock, Clifton ran a rollout on three downs and then Ferguson was stopped just short of the first with 15 seconds left on the clock.

On the final play of the game, Simpson intercepted Everett's pass and ran it back 36 yards to the Indian 25 as the game ended.

Freshmen Lead HSH Honor Roll

The Freshman Class led all other classes on the honor roll for the first six weeks period. The Freshmen, with 34% on the honor roll, was followed closely by the Sophomore Class with 33%. The Junior Class was next with 27%. The Senior Class had 26% listed on the honor roll.

Making all A's were Revonna Robertson, June Hill, Helen Moore, Margaret Johnson, Agustin Barron, Reba Jackson, Margaret Cooper, Rhea Vaughan, Gil Lain, Pat Perrin, Mike Young, Cindy Bryant, Mary Wallace, Gary Smith and Charlie Shira.

On the A average list were Pam Holtz, Randy Smith, Rudy Mendoza, Vicki Newland, Joy Bond, Geneva Ward, Louise Lujan, Gary Connally, Roberta Douglas, Terese Perrin, Janet Carson, Pauline Lakey, Kathy Moore, James Knabel, Donnelle Hill, Sharon Hawkins, Janice Hardaway, Virginia Hill, Tommy Oliver, Jayne Turner.

Also Linda Cox, Sally Carlton, Patricia Elkins, Beth Craig, Dianna Crowley, Sally Young, John Hix, Joey Duncan, Robert Bailey, Sharon Townley, Patty Cowan, Jerry Elliot, Lavene Hunter, Rena Joe White, Jane Hymer, Sherry Pritchard, Martha Robertson, Jan Young, Thomas Goolsby, C. A. Jenkins, Jeannie Trotter, Marcia Steele, Jerry Covington, Grace Carter, Richard Mendoza, Mark Tansil, Debbie Tucker, Peggy Jones, and Chris Perrin.

Students making the B average honor roll were Danny Contreras, Linda Goodwin, Jean Young, LaWanda Coleman, Gayle Wigington, Nancy Brown, Joyce Putman, Cheryl Walton, Peggy Covington, Sherrill Dockins, Reta Oliver, Sandra Payne, Bill Johnson, Patti Murphree, Jackie Williams, Gary Carson, Steve Gibson, Gloria Rangel, Rickey Waller, Benja Wilcox, Rhonda Butler, Linda Witt, Sherry Brandon, Diane Neal, Brit Thompson, Tommy King, Gary Don Maberry, Davis Weaver, Rochelle Kincaid, Donovan Colley, and Joe Poe.

Schlumberger Transfers Johnnie Jones to N. Mex.

Johnnie M. Jones, who has been a Schlumberger Well Service Senior Sales Engineer assigned to the Southern Rocky Mountain Division in Denver, has been transferred to Farmington, N. M., as Schlumberger Location Manager, according to F. L. Bryan of Houston, vice president of operations.

A native of McCaulley, Texas, Jones was graduated from McCaulley High School and holds a degree from McMurry College. He is the son of Mr. and Mrs. C. D. Jones of Hamlin, Texas.

Jones is a veteran of military service with the U. S. Army Corps of Engineers.

During his service with Schlumberger, Jones has been active with the American Institute of Mining Engineers, Rocky Mountain Association of Geologists and the Denver Well Log Society.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin — Gov. John Connally has given three of Texas' leading universities a hurry-up research assignment — a detailed analysis of food costs in the state and of the causes of recent price increases.

Connally set December 1 as target date for reports by the University of Texas, Texas A & M University and Texas Tech College. He gave the assignment to the heads of the three schools and left it up to them how to conduct the study.

"I share the concern of Texans with the dangers of inflation," Connally said in announcing the study. "And I am particularly disturbed about mounting food prices, and their effects on the homemakers of our state."

Connally said, "While rash judgments and emotionally based opinions as to blame are inevitable, they contribute little toward determining cause, or sensible course of action, for improvement of the situation."

Detailing his request, the governor asked for a determination of what part of the consumer's food dollar goes to the producer or grower, to the retailer, and how much goes for such things as transportation, advertising, sales incentives, added services and

whatever other costs are involved.

He asked for that determination both on long and short-term bases, expressed both in absolute dollars and in percentages.

He also suggested that the food cost study be related to other consumer costs.

Gas Transmission — Texas' big gas pipeline operators disagree with their smaller colleagues over whether the state should assume regulation of the pipelines so the Federal Power Commission will not.

Major interstate gas transmission companies contend that they are doing well under the present regulations of the USA Standards Institute under sponsorship of the American Society of Mechanical Engineers. But the companies which transmit gas on a part-time basis want state regulation.

Both sides are to file written statements with the Texas Railroad Commission by November 25. Commission then will consider all arguments and reach a decision.

Courts Speak — State Supreme Court rejected City of San Antonio's appeal for supplemental water supply from Canyon Dam reservoir on the Guadalupe River. Decision backed a 1958 award by the

predecessor to the Texas Water Rights Commission (and affirmed lower court decisions) providing 50,000-acre-feet of water a year to Guadalupe Blanco River Authority for municipal use.

Cities of New Braunfels, Seguin, Gonzales, Cuero and Victoria, along with Calhoun and Refugio Counties, joined GBRA in fighting the San Antonio application during the prolonged, historic water fight.

High court reversed the lower courts and ordered a retrial of the Lubbock land condemnation case where the jury awarded \$48,000 to owners without holding hearing.

Texas Court of Criminal Appeals set November 9 for hearing on whether it should uphold, rather than reverse, the death penalty for Jack Ruby in the slaying of presidential assassin Lee Harvey Oswald. On October 5 the court held that Ruby should get a new trial.

Road Revenue High — Texas Highway Department has been informed that Texas is expected to reap \$456,000,000 in State highway-user tax revenues this year.

This would make Texas third among the 50 states in road revenue. California is expected to take in \$941,000,000 in 1966. New York's income will hit \$497,000,000.

Road-user taxes include state fuel and vehicle registration taxes, but not toll fees or parking-meter money.

Air Pollution Control — Texas' new Air Control Board came up with a tentative plan for regulating air pollution starting in 1967.

Plan includes air quality surveys and continuing studies particularly in urban areas.

THE HAMLIN HERALD

Neinda Philosopher --

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 may get himself into hot water, the latter part of his letter this week indicates. That's his worry.

Dear editor:

I went for three days last week without finding a newspaper around this Johnson grass farm and finally gave up and went into town and brought a copy, and now discover I may be further behind the times than I realized.

According to one item on an inside page a college professor discussing the great strides he claims man has made in the past few years said "if you haven't been back to school in the last 10 years you're already behind the times."

I don't know what school he was talking about, but I

assistance in developing local programs, procedure for investigating complaints and plans for public education on pollution hazards.

Board is thinking about a graduated set of standards for industrial emissions from cotton gins, petrochemical plants, dry cleaning establishments and any other that could possibly add pollutants to the air.

Although the plan is directed toward pollution from smoke and particulate matter, board members indicated it would be made to apply to other air pollution sources after six to eight months compliance notice.

have a notion you can pick out any college you want to and find therein professors who've been to school all their lives and are still behind the times.

Actually, of course, I don't know what being behind the times means.

While it's true there are dozens of countries on this earth I don't know anything about, never even heard of, you've got to remember on the other hand they've never heard of me either. It all comes down to who's times you're behind, or whose clock you're watching.

I have a notion that if a man sets out to keep abreast of the times all over the world, he'll wind up knowing something about nearly everything but not very much about anything. On the other hand, you can know not very much about anything and nothing about the rest of the world. I've tried it, and it works.

To change the subject, I've been reading about those women in cities picketing the grocery stores over high prices. Since they're carrying their signs anyway, how much you reckon they'd rent the back of their placards to carry a message from us farmers objecting to the low prices we get? Why couldn't one picket sign do two jobs at the same time?

However, if any of those women boil over and want to see me about this, tell them you don't know how to get in touch with me.

Yours faithfully,
J. A.

Nearly Half the Terraces Being Built In Texas Are New Parallel Type, According to H. N. Smith

"Texans built enough of the new, evenly spaced parallel terraces last year to reach from Texas to Maine — more than 2,200 miles," according to H. N. Smith, state Conservationist, Soil Conservation

Service, Temple. "In fact, nearly half the terraces built in Texas were the new kind." Cooperators with local conservation districts built more than 5,000 miles of all kinds of cropland terraces last year.

A team for a better Texas for you!

Governor John Connally and Attorney General Waggoner Carr have worked together for 4 years to give Texas and YOU a better state and better opportunities.

As a United States Senator in Washington, Waggoner Carr will co-operate with Governor Connally to work for better education, more jobs, benefits for our elderly, and better prices for our farmers, ranchers and dairymen. He will do what is right for Texas!

Vote Democratic, Tuesday, Nov. 8, 1966

Elect Democrat

WAGGONER CARR

United States Senator

Texas Citizens for Carr Committee: Thomas W. Butler, State Chairman

2,265 miles were parallel, as compared to 984 miles in 1965, 440 in 1964.

"This isn't just another Texas brag," Smith continued. "It just shows how popular these modern terraces are becoming. The amount built has doubled two years in a row."

"Terraces spaced an even number of rows apart and without point rows are called parallel terraces," P. M. Price, Texas state conservation engineer, SCS, pointed out. "They really save time and money for the farmers and they do a good job of conserving soil and water."

Parallel terraces are spaced to fit both the farmers' equipment and the lay of the land. For example, they might be built 24 rows apart or 72 rows apart, depending upon the

slope. Three, four, six or eight row equipment could be used in either of the above cases.

Designing, laying out and building this kind of terrace system, however, is not an easy job. Price said it takes design and stake a parallel system. They may cost more to build. Shorter terraces with more grassed waterways may be needed. More cuts and fills are used.

"Our engineers are willing to take the extra time to figure out parallel terraces," Price said. "Some short cuts have been developed and we are getting more efficient in working out these modern conservation systems."

Gary A. Batte, Work Unit Conservationist at the Stamford SCS office, said land owners and operators in this area like the parallel terraces. "They are easy to plow and they save time and fuel," he said. "They also eliminate or greatly reduce short rows or uneven length point rows."

Some landowners say they would not have built terraces if the SCS had not worked out these which are much easier to farm," Batte said. Others are tearing down the old hard-to-farm conventional terraces and are replacing them with parallel ones.

Farmers in the Hamlin area who have recently completed parallel terracing jobs are Elvin Smith at Tuxedo, and Virgil Steele.

Batte said that jobs to be started or are presently under way are on the Mrs. John C. Bryant farm near Hamlin, and the F. L. Adamson farm south of Hamlin. Other jobs are under way in the Stamford area.

Batte said that 321,875 feet of parallel terraces were built during the year ending June 30, in the Stamford work unit area. In the California Creek District, 708,855 feet were constructed this year, compared to 66,448 feet the year before.

Cost-share assistance for constructing parallel terraces is still available, and ranges up to 70% of the cost. Further information may be obtained from the Stamford Soil Conservation Service Office.

THE HAMLIN HERALD

SYLVESTER NEWS...

By Mrs. R. M. Baeb

Here it is the last day of October and I think every one knows what to expect as this is Halloween and there just might be a few goblins out.

As for as I know, at the moment, there isn't any one in the hospitals. Mrs. Emma Henry is home from Rotan, Mrs. Robert Reed and Mr. Brown are home from Hamlin. I take it all back, Mrs. Neda Kiser entered Hendrick's for surgery again. Surely hope everything goes well.

The Blackie Ford House is well under construction on the north side of the railroad, between Glaslock and Leggett

Duck Hunter's Delight — Duck hunters can take a tip from scuba drivers and wear neoprene boots and britches under their regular hunting clothes to keep warm and dry.

Camping Boots — Don't try to walk mountain trails in the same sort of boots you use when rabbit hunting. Best authorities recommend rugged footwear equipped with vibram lub soles. Ordinary boots are much too soft for such hard wear.

Underhand Casting — Underhand casting is of little use to the average angler. It is more of an exhibition stunt. Better concentrate on the usual styles.

Lyne T. Barret drilled first Texas oil well near Nacogdoches in 1866.
